Greeting from the Parish Priest

Greetings to all the residents of Las Casas del Señor, to all our visitors, and to our families and friends living around the world.Once again, with great joy, we prepare to celebrate our Patron Saint Festivities in honour of Our Lady of Remedy.

I would like to express my sincere gratitude to everyone who has devoted their time and effort to preparing and organising these days of celebration. I am sure that many people have worked with enthusiasm, dedication and commitment to ensure that everything is ready so that we can all enjoy these festivities.

These celebrations give us a wonderful opportunity to come together once again, to share both the religious and festive events, to meet up with one another and to exchange the experiences and memories we have gathered throughout the year.

We are brought together by Our Lady of Remedy, who loves us all as her children. She gathers us, protects us and watches over us with tenderness. She is our Mother in Heaven, who never ceases to care for us and for our needs.

For this reason, during these festivities we wish to give thanks for everything that our Blessed Mother does for us and for our families.

We also remember with affection those who celebrated these festivities with us last year and who are no longer among us today.

May the Lord grant them eternal glory.

May the Lord Jesus Christ, her Son and our Lord, allow us to enjoy all the religious events and celebrations that have been prepared.

Long live Our Lady of Remedy! Long live Las Casas del Señor!

Greeting from the Mayoress of Las Casas del Señor

The festivities are here once again, bringing with them a special time to come together as a community.

As Mayoress of Las Casas del Señor in my first year in office, my wish is that every home is filled with joy and smiles.

May these days be a wonderful opportunity to reunite, to share happy moments with family and friends, and to warmly welcome everyone who returns to our village to celebrate our Patron Saint Festivities.

Las Casas del Señor is a small village with a very big heart. Together, we keep our traditions alive and make these celebrations a source of pride, friendship and community spirit year after year.

Let us raise a toast to our traditions, to those who are with us, to those returning home for these special days, and also to those who are no longer with us, but who will always remain in our hearts and memories.

From the bottom of my heart, I wish you all a very happy 2026 Patron Saint Festivities.

The Mayoress of Las Casas del Señor

Dear Residents, Friends and Visitors,

Once again, the long-awaited Patron Saint Festivities of Las Casas del Señor are here—special days when we set aside our daily routines to celebrate what brings us together most: our village, our traditions and our people.

On behalf of the Festival Committee, we would like to warmly welcome you and sincerely thank you for all the support, cooperation and affection you have shown us. We are a group of eight young people who have worked with great enthusiasm and dedication to organise a programme of festivities for everyone, from the youngest to the oldest members of our community.

We hope you will take part in every event, fill our streets with joy, share unforgettable moments with family, friends and visitors, and help make this year's celebrations truly memorable.

We would also like to express our gratitude to the Town Council, our sponsors, collaborators, local associations, neighbours, and everyone who, in one way or another, has contributed to making these festivities possible. Without your support, none of this would have been possible.

We invite you to enjoy every moment of these special days with respect, friendship, community spirit and, above all, a desire to have a wonderful time together.

Happy 2026 Patron Saint Festivities!
